**Times subject to change.**

Kart-jumble all three days.

**Public Vote.** Vote for the Class 1 kart and Class 4 kart “that you would like to take home”

**Pig roast tickets £4.00 each from race control.**

# Welcome

The Shenington Revival has never ceased to provide a unique meeting for karting enthusiasts. The fabulous atmosphere and nostalgia created by the venue, the karts, karters and memorabilia ensures that each year is enjoyable. This year will not disappoint.

Along with the regulars, we again see many new karts and karters to Shenington so there is plenty to see and talk about. Finding some one or something interesting will not be difficult. Last year Tony & Dan Bury's Haykart/Villiers with its interesting suspension created one of the more enthusiastic talking points of the weekend. It will be taking to the track again this year but there is bound to be something that will overshadow it and set everyone talking.

Besides karts, people have always been a part of Shenington and many friendships are renewed at this meeting as it is an event that anyone who has been involved in karting tries to attend. You never know who you may meet. Bobby Day (British Champion Class 1 and Class 2 in 1965) is a new personality this year that I'm sure many people will want to meet.

As special guests, we are pleased to welcome Jack Barlow's daughters Rosemary, Carol, Wendy, and his son Terry. They are attending on Sunday and in Jack's memory, they will present a concours trophy for the best Barlotti. I am sure that this will be eagerly contested.

Please feel at ease to walk round, and enjoy yourselves.

Finally I would like to thank all the helpers and marshals from both clubs who put many hours into making it all happen.

*Tony Wilkins - President*

*Top: Class 1: dummy grid. No 11 is Rob Statham with the space frame Comet Kart. Number 10 is Graham Smith. Zip Concorde/BM.*

*Bottom: Tony Bury in the Haykart/Villiers..*

## Owners and Karts Attending:

Name	Kart & Engine	Class	Main Colour	Demo No.	Day

Highgate, Rectory Gardens, Aston-on-Trent, Derby, DE72 2AZ

## Alan Button

This year the Shenington Revival is attached with difficult emotions for many members as it is with sadness that we report the death of charismatic member Alan Button. Alan died last Sunday following a short illness with cancer. He had been a regular attendee at the Shenington Revival and was at a meeting in April preparing a kart for this event. Our condolences go to his wife, son and daughter at the difficult time.

## Guests

Jack Barlow's three daughters, his son with their partners. In memory of Jack they will be presenting trophy for the best Barlotti.

Rosemany James, Carol Lewis, Wendy Kattan, Terry Barlow.

Bobby Day. British Champion Class 1 sport and Class 2 in 1965.

Martin Capenhurst. Organiser of *Kartmania* in November.

Phil Parker. Involved with Starr engine development. Long term mechanic.

Peter Klassen. Peter started racing in the early sixties and has been involved with Shenington for many years.

Ivan Rouse. Inventor of the Rouse braking systems.

Ian Rushforth – Super Kart Association

John Osborne – Super Kart Association

*The Super Kart Association is the organisation that have invited us to the GP at Cadwell Park.*

Les Jones Mechanic for Val Nixon in the 1960s.

Steve Goodman. Member of the BHCC and owns a 1970s Deavison.

Co-ordinator	Wyatt Stanley
Assistants	Peter Brinkworth and Brian Malin
Marquee and Admin Manager	Lynda Malin
Grid Officials	Robbie Ashton

## **Rules and Regulations**

All drivers must attend a drivers briefing each day.

All karts must be scrutineered and have the scrutineer's sticker attached. A kart may be re-scrutineered at any time over the weekend. Karts may be also be scrutineered by Shenington's official scrutineer.

All drivers must sign on each day at race control, pay the relevant fee direct to Shenington KRC and show a BHKC club card. On the dummy grid drivers must show a fitted wrist band to the grid marshal before being allowed on to the track.

Drivers must wear suitable clothing and a modern helmet. These may be inspected at scrutineering.

On the track, drivers must drive with care and consideration to other drivers and all marshalls and flag signals. If the clerk-of-the-course deems your driving to be of concern you will be black flagged.

Noise levels will be monitored and if found excessive you will be black flagged. You will be required to reduce the noise levels of your kart before you are allowed out on the track again.

Owners allowing guests to drive their karts must ensure that the guest is competent and fully conversant with your kart and track details eg knowledge of flags and they must be signed on and have a wrist band.
