

Kart Technical Exception (2014)

Ref: **KTE-2014-250**

The MSA can confirm that Hunts Kart Racing Club has been granted permission to run the TKM Clubman Class in the 2014 TKM Club Championship (Midlands), under MSA Yearbook regulation U1.1.3.

Details:

Class Regulations as per the 2014 MSA Kart Race Yearbook regulations for TKM Extreme Clubman (C3.0), with the following exceptions:

- Chassis must conform to original TKM homologation fiche.
- Gearing free for all events other than Sherington where it is fixed at 10/78.
- Slick tyres must have been visually genuinely used and for the Sherington event must have no more tread depth than 3.5mm.
- Wet tyre must be of previous red label only marking. Note stocks of these limited and one month's notice will be given if use to be permitted on new type red/white label tyres.
- Rev counters may be used at all events except Sherington.
- Ackermann steering is permitted. Stub axles are not restricted to original.
- Any elements of the TKM chassis homologation which have been superseded – eg chassis rear ride height adjustment – are to be taken as current rules rather than old homologation.

Date Approved: 10 March 2014

Date Amended: 07 May 2014
